# 77 New Hotels Around The World

## OPENING THIS SPRING

Spring is a time for new life as the flowers and leaves start to bloom. Also new are dozens of hotels around the world opening for the first time between March 1 and May 31. No matter which part of the world you visit (and thankfully, many countries are finally making plans to reopen), there is a new hotel at every price point to experience. Some are even participating in popular loyalty program promotions to help you earn more points and

perks with every trip. These are some of the newest hotels opening this spring.

### EUROPE | MALLORCA

On the northern coastline along Casa Molins bay, [El Vicenç de la Mar](#) will open in May as a new member of [The Mallorca Ç Collection](#). The resort is part of Design Hotels, which participates in the Marriott Bonvoy program.
