EL VICENC DE LA MAR
CALA MOLLINS, MALLORCA

The newest member of the Mallorca Ç Collection, El Vicenc de la Mar sits on the beautiful bay, Cala Molins, in Mallorca, on the northern coastline of the island, just 7 km from Pollença on the west side of Cap Formentor in Cala Sant Vicenç.

Surrounded by azure waters at the foot of the Tramuntana mountains, guests can seek and experience nature: catch the Mediterranean breeze, walk to the beach, hike, or cycle. The ultimate sea escape is an immersion in nature exploration, just steps from the front door.

Sitting on a crystal-clear cove, the hotel offers 35 beautifully appointed guest rooms, including four suites and one Penthouse suite. Some rooms and suites offer private terraces, a Jacuzzi, or a private swimming pool.

The hotel offers multiple categories of rooms ranging from a Penthouse Suite with a large terrace and private pool, Privilege Rooms with a shared swim-up pool, Junior Suites with private outdoor hot tubs, and Signature Rooms with private terraces perfect for gazing over the dramatic coastline.

Major features at the hotel include a breathtaking multi-tiered rooftop terrace with a swimming pool, cocktail bar, and two restaurants. Here guests can enjoy the sweeping views across Cala Sant Vicenc and the Sierra Tramuntana Mountains. Both are designated UNESCO World Heritage Sites.

The hotel is the ideal setting to immerse yourself in an experience that combines relaxation, gastronomy, leisure, and nature. It's the perfect

place to indulge in the essential pleasures of Mediterranean life.

“The concept is to replicate the same 5-star boutique hotel service and quality that travelers have grown to love at El Llorenç in a luxurious beach setting, says Ruben Zamora, General Director, Mallorca Ç Collection. “The beauty of the location is that guests can enjoy any number of activities in the area, no matter the season.”
